City Council Acts Today On State Street Paving Plans

Final Passage Of Legislation To Speed Work

Widening, Paving Of Downtown Street May Start In August

A special session of Council was called for 2 p.m. today to pass the final legislation relative to the reconstruction of downtown State St. Council President James Aldom said this morning he had been assured by State Highway Department officials that if the resolutions of necessity are passed today, the state will begin work on the street in August, a month before the scheduled date.

The legislation to be acted upon this afternoon is a resolution authorizing the state to proceed with previously approved by the city and state and a resolution certifying that the city's cost in the

RESCUE MAN WEDGED INSIDE CHIMNEY—Joseph Laore, 21, is removed from the chimney of the Chicago Yacht Club. Police and firemen broke a hole in the base of the 16-foot-high chimney to reach Laore, who told police he had been stripped of his clothes and beaten by four men after midnight. He apparently had been carried to the roof of the one-story building and dropped feet first into the chimney. Laore, in critical condition, was taken to St. Luke's hospital and placed in an oxygen tank.

Ohio Edison Co. Workers End Strike

AKRON, Ohio (AP)—CIO utility workers returned to their jobs at Ohio Edison Co. plants in seven Northern Ohio cities today, ending a nine-day strike.

Throughout the walkout, supervisory personnel maintained service in the firm's population area of 1,500,000.

In balloting last night, the 2,200 workers accepted an 8.65-cent hourly package increase which includes pay boosts of four to eight cents, an improved hospitalization plan, increased night differentials and seven paid holidays instead of six.

The union originally had asked for a 16-cent hourly increase in pay the company says had been averaging \$1.94.

The employees voted to strike when negotiations broke down on a clause that stipulates that the company can under certain conditions, hire outside help for construction work. That part of the dispute was settled first, then the haggling over wages began in earnest. Federal mediators and a conference of mayors from 10 cities finally helped bring the bargaining to a close.

This was Ohio Edison's second strike. The first was in 1950 when the union went out in mid-September after working nearly three months on a day-to-day basis.

A company spokesman said last night that an Ohio Edison power plant in Mansfield had been closed down recently and will be operated only in emergencies. A union local there has been dissolved, with most of the employees being absorbed in the firm's installations in other cities.

Approving the new settlement last night were locals in Youngstown, Akron, Marion, Lorain, Tipton, Warren and Shadyside.

Goodyear Co. To Reply To Charge By Union

AKRON, Ohio (AP)—The strike-bound Goodyear Tire & Rubber Co. promised a reply today to a union statement that a walkout now in its third day resulted because the firm would make only one wage offer.

L. S. Buckmaster, president of the CIO United Rubber Workers, made the statement yesterday. Told of this, a Goodyear vice president, Fred Climer, said his firm would reply with its explanation of the cause of the strike sometime today.

The strike by 23,000 members of the union hit 10 Goodyear plants across the country. Wednesday night after negotiations at Cincinnati collapsed.

The strike affects Goodyear plants here, at Topeka, Kas., and in Gadsden, Ala., and in St. Mary's, Ohio; Muncie, Ind.; Los Angeles; Lincoln, Neb.; Jackson, Mich.; New Bedford, Mass.; and Windsor, Vt.

Knowland Amendment Faces Senate Action

Senators Speculate On Ike's Action If Congress Continues Farm High-Level Price Proposals

WASHINGTON (AP)—Senate foes in the battle over farm price supports today advanced rival forecasts on what President Eisenhower would do if Congress votes continued high-level, rigid federal

price props for the nation's major crops.

Sen. Young (R-ND), a champion of the existing rigid support system, said in an interview he didn't think Eisenhower would exercise a veto. He predicted most Republican and Democratic senators would vote for a one-year extension of high level supports.

But Chairman Aiken (R-Vt) of the Senate Agriculture Committee, a backer of the administration's flexible price prop plan, said an extension bill would run into a presidential turn down. "There simply would be no new farm legislation," he said.

An Eisenhower veto, if not overridden by the legislators, would have heavy impact on the farm program because under present law a flexible 75-90 per cent of parity support system would automatically go into effect.

This farm legislation was passed by Congress in 1948-9 but so far Congress has not let it take effect.

Instead, the lawmakers have voted from time to time to extend the flat wartime support rate of 90 per cent of parity for basic crops.

Parity is a price said by law to be fair for agricultural products in terms of the cost of goods farmers must buy.

Confident Living

Have Power Over Your Difficulties

A woman once came to see me about her husband, and as she told me what a bad state he was in, she herself was so excited and nervous that I began to think she was the cause of his problems. We men always seem to think that the trouble is with the woman, and in this case I found myself doing just that.

However, she arranged for me to meet her husband, and then I knew right away that he was the cause of his own troubles, and of his wife's as well. They had been married for many years, and it was quite a feat to have stood him that long. He was an extremely nervous, super-sensitive, high-gear individual; she was normally calm, lethargic and passive. He was extraordinarily volatile, due no doubt to the many conflicts with which his mind was filled. This constant tension in their home was gradually breaking his wife down until she was at the point of nervous prostration.

"I LOVE MY WIFE," he told me, "but I do seem to drive her to distraction. She should never have married me. I suppose what I ought to do is die and let her have a few years of peace."

"She wouldn't be happy if you did that," I said. "She wants you to change, not pass out."

"How can I ever change?" he asked me.

I thought to myself that for him to change would indeed be quite a proposition. But do you know it is marvelous how God works with people. In a Unity magazine I had

Miss Huffman, John Carlariello Are Wed In Twilight Service

In a twilight service Tuesday night, Miss Beverly Jane Huffman, daughter of Mrs. Helen Huffman of E. State St. and D. M. Huffman of Canfield, became the bride of John Frederick Carlariello, son of Peter Carlariello of Penn Ave. and Mrs. Walter Wyszniski of Cherry St.

The double ring ceremony was performed by Justice of the Peace Wade Loop at his home.

The couple's only attendants were Mrs. Dean Gordon, cousin of the bride and Richard Menough, lifelong friend of the bridegroom.

Pearl and rhinestone embroidery adorned the neckline and pockets of the bride's white linen sheath ensemble, with which she wore white linen accessories. Her bonnet type hat, trimmed with white lilies and deep blue velvet, featured a short white dotted veil.

She carried a colonial bouquet of white roses and pink feathered carnations with shower streamers of pink satin.

Mrs. Gordon's gown, also a white linen sheath, was embroidered in black silk braid. She wore a black picture hat and a black and white drape. Her corsage was of yellow roses.

The bride's mother, attired in a navy blue and white dotted taffeta dress, wore a navy blue picture hat and used black patent leather accessories. Her corsage was fashioned of red roses.

Following the ceremony a reception was held at the bride's home, which was decorated throughout with garden flowers.

The refreshment table, laid with white linen, was centred with a crystal bowl of pastel sweetpeas and lighted with pastel candles in crystal holders.

A two-tiered wedding cake, made by the bride's aunt, Mrs. Maine Hall of Rogers, was frosted in white and decorated with small pink roses. It was topped with a bride and bridegroom figurine and encircled with a wreath of roses.

The crystal cake plate and the cut glass punch bowl used were family heirlooms, which originally belonged to the bride's maternal grandmother, the late Mrs. William M. Green.

After the bride and bridegroom cut the cake it was served with other refreshments by the bride's aunts, Mrs. C. R. Green of Salem and Mrs. Jacqueline Eells of Rogers. Mrs. Herbert McCave of Salem poured.

Gifts were presented to the newlyweds by guests from Girard, Rogers and Salem.

After a honeymoon at the mountain home of the bride's uncle and aunt, Dr. and Mrs. J. C. Green, near Ligonier, Pa., the couple will reside in their newly furnished apartment at the home of the bridegroom's father.

District Church Plans Fund-Raising Festival

A benefit festival to help pay off the debt on the recently purchased church carpet was discussed at the Thursday meeting of the Women's Association of the Concord Presbyterian Church in the church.

During the evening the women also counted tax stamps, proceeds of which will be applied to the carpet fund. Mrs. Andrew Burt presided at the business session.

Miss Dorothy Schnell conducted the devotionals using for her theme two articles, "Seeing Myself as Others See Me" and "Judging Others." Hostesses were Mrs. Dan Miller and Mrs. H. T. Marty.

All the women of the church are invited to the festival planning meeting Monday, July 19, in the church. The next regular meeting will be Thursday, Aug. 12.

Mr. and Mrs. Richard Scullion and their children, Thomas and Judith of Huston, Tex., have arrived to spend a month with Mr. Scullion's mother, Mrs. Doris Scullion of E. 3rd St. and Mrs. Scullion's parents, Mr. and Mrs. John Berry of Sebring.

Chicago Wins 8-3 To Trim Cleveland Lead To Three Games

White Sox Erase 3-2 Deficit In Seventh On Two-Run Hits By Nellie Fox And Carrasquel

CHICAGO (AP) — Manager Al Lopez of the first-place Cleveland Indians fears only the New York Yankees, now three games off the pace.

"Even if the Chicago White Sox whip us four straight," said Lopez, "it's the Yankees, not the White Sox we'll be worried about."

The Pale Hose gained some slight measure of revenge before 43,470 faithful last night, trimming Cleveland 8-3 to end a string of four successive one-run losses to the Tribe.

"Sure, the White Sox are primed to give us the works," said Lopez.

"But I don't forget that in 1951,

Bloomberg's Defeats Sidinger's Nine 11-10

Coming up with a two-run rally in the last inning, Bloomberg's nipped Sidingers 11-10 in Class B action at Kelley Field Friday.

The winners were trailing 5-1, at one stage in the game but came on to knot the count at 7-7. Going into the last inning Sidingers again was out in front 10-9, but the two-run uprising, capped by George Burrier scoring the winning run on a wild pitch, netted the win.

For Bloombergers, Herb Haschen had three hits while Jerry Menichelli, Stan Kataro and Pudge Leininger bashed out two each. Kataro also had a homerun over the left field fence in the fifth inning.

Ed Probert and Sturgeon had two each for the losers.

Pudge Leininger was the winning hurler; Forrest McBrien, the loser.

Mounts Leading Minor League

E. Furnace, Leather Win Friday Games

Mounts Tin Shop is leading the Minor Little League in standings released this morning by loop officials.

Mounts has won five and dropped one to maintain a slim half-game bulge over Electric Furnace CIO, which sports a 5-2 slate.

It was referring to the Sox playing Eddie Marsh at third and rookie Ron Jackson at first in place of the injured George Keil and Ferris Fain.

The White Sox did it the hard way last night, erasing a 3-2 deficit in the seventh as Chico Carrasquel and Nellie Fox slammed two-run singles to break the game wide open.

This is a real death struggle for the third-place White Sox, who now rest six games behind the Tribe. Sox Manager Paul Richards is pinning all of his chances on his pitching to tide the Hose over until his wounded varsity mends.

Bob Keegan, husky righthander, achieved his 12th victory, tops for an American League hurler last night, even though he left for a pinch hitter in the seventh. Morrie Martin finished.

Richards today will send Jack Harshman 4-4 against Cleveland's Early Wynn (10-6). The stand against the Tribe concludes with a doubleheader tomorrow.

Last night's scrap shaped up as another one-run setback for the frustrated White Sox until the big seventh, despite successive home runs by Jim Rivera in the second and fourth.

But in the seventh Art Houtteman weakened and Hal Newhouse moved in to hang the defeat on himself by walking the only two men to face him, filling the bases. It was then, against Cleveland's third hurler, Bob Hooper, that Carrasquel rammed a bases-loaded single for two runs. Don Mossi relieved Hooper, and Fox smashed another two-run single off him.

The loss, only the second for the Tribe in the last 13 games, was Newhouse's first defeat in 13 relief roles, although he lost one other as a starter.

A double by Wally Westlake, singles by Dave Philley and George Strickland and Jim Hegan's fly tallied two Tribe runs in the second inning. In the seventh they broke a 2-2 tie when Hegan, who had singled and moved to second on Houtteman's sacrifice, scored on Bill Glynn's single.

**Red Caps Nip
Beloit 8-7;
Amvets Win**

By The Associated Press

PITCHING — Johnny Antonelli, New York Giants, won his 13th game of the season and homered in the Giants' 6-3 victory over the Pittsburgh Pirates.

BATTING — Jim Rivera, Chicago White Sox, hit two home runs and scored four runs as the White Sox defeated the Cleveland Indians, 8-3.

The Red Caps came up with three-run rallies in the seventh and eighth to make up a 5-2 deficit. The Beloit nine made eight errors which led directly to their defeat.

With Beloit leading 5-2 going into the last half of the seventh, the Red Caps tied the score and sent the game into overtime on a walk, two errors and hits by Burrier and Ehrhart.

Beloit went ahead in the top of the eighth on two errors and hits by Pat Greiner and Rose Mary Kolesar.

In the bottom of that frame, Beloit committed another pair of fielding misuses and hits by May and DeJane resulted in the win.

Pat Griener and Rose Mary Kolesar had three singles each for the winners and Sue Schwartzoff registered two. May and Burrier had two each for the losers.

In the other game, the Amvets scored five times in the first inning to coast home with Georgetown.

Midge Mordew, Janet Reeder, Kay Lutsch and Helen Yeager recorded two hits each to pace the win.

Miss Yeager was the winning hurler, allowing only two hits.

Wyss had a home run for the losers with C. Odey chipping in with a pair of basehits.

Leetonia Council Signs Sewer Agreement With Berg Bretzels

LEETONIA — Mayor Paul A. Sevenich and members of Village Council at their regular meeting Wednesday put an official stamp of approval on the "sewage agreement" between Berg Bretzel Inc. and the Leetonia Board of Public Affairs.

The mayor and members of Council signed the agreement and the Board of Public Affairs held a special meeting Friday evening to sign the agreement.

Council reviewed the plan contained in the agreement as presented by Burgess and Niple, sanitary engineers who have been working to solve the disposal of the industrial waste from the chip plant here, through the facilities of the local sewage disposal plant.

The plan showed the location of the "lagoon" which will be used in the treatment of the waste from the Berg plant. The location was checked with the map of the village property which was prepared by Mr. Charles McCabe.

MAYOR SEVENICH turned over to the village treasury the fines and fees for the month of June, which amounted to \$176.20.

A delegation of residents from Pine street were present at the meeting to protest the condition of the "hill" on that street and Street Commissioner Kleinknecht was instructed to make the necessary repairs.

THE UNITY CLASS of the Methodist Church met at the home of Mr. and Mrs. Herbert Martin, Stoy St. Thursday evening with Mr. and Mrs. Thomas Walter co-hostesses.

Plans were made to have a "pound shower" for the new minister, Rev. and Mrs. R. M. Ferguson, which will be held in connection with the Methodist Sunday School picnic at Firestone Park in pavilion 4 July 14.

After the business meeting the Class enjoyed a wiener-roast. The next meeting will be at the home of Mr. and Mrs. Paul Smith Aug. 12.
